

Union Chain Bridge Pop-up Card

Paper-engineering craft activity

Adult supervision required (use of craft knife)

You will need

1. A printer
2. 1 piece of white card
3. 1 piece of coloured card
4. Coloured pencils or pens
5. A craft knife and board
6. A pair of scissors
7. A glue stick

Instructions

1. Print out this sheet onto the white card
2. Cut out the box containing the image of the bridge using scissors
3. Colour in the picture using coloured pencils or pens
4. Fold the image in half following the dashed line
5. With an adult to help you, cut along all the dotted lines with a craft knife
6. Pop-up the bridge, folding along the bottoms of the stone towers
7. Stick your new pop-up bridge inside a folded piece of coloured card
